Mobistar appoints Baeck as CCO

22 May 2008 05:32 PM CET | Belgium

Belgian mobile operator Mobistar has appointed Paul Baeck as chief commercial officer from 1 August. He will be responsible for all commercial activities both for consumer and business customers and the customer service. He will also be a member of the Mobistar executive committee. The 46-year-old Baeck has worked since 2002 at The Phone House, most recently as managing di ... | [Read](#)

Base promotes Windows Live Messenger

22 May 2008 11:26 AM CET | Belgium

Belgian mobile operator Base is offering customers free use of Windows Live Messenger over wap until 15 October. The operator has worked with Microsoft on the service since 2007. To take advantage of the promotion, customers need a phone that supports the messaging service and a mobile internet subscription. A basic subscription is available at EUR 2.5 for 2 MB, which allo ... | [Read](#)

Nomado Telecom introduces VoIP service in Belgium

22 May 2008 11:11 AM CET | Belgium

Nomado Telecom is introducing a VoIP service on the Belgian consumer market. Users require a Nomado box, which is connected to the phone line and internet service, and costs EUR 49. They can also opt for a softphone on their PC, and use the service over a mobile phone. Users making a large number of calls to a specific country can also receive a local number, for example f ... | [Read](#)
